Save the Date for the Festival on the Trails

Save the date for Gardner's first ever Festival on the Trails, September 14-16th, 2007.

The two-day event will wrap up Gardner's 150th anniversary celebration. The festival will offer fun for all ages, with festivities kicking off on Friday, September 14, in downtown Gardner with a grand opening ceremony. During the afternoon the downtown will be filled with music, as the festival will provide jazz for

lunchtime listeners and the first day of a two day art fair will open its doors for shoppers. A parade will lead to the football game on Friday evening, and after the game con-

cludes, a street dance will welcome kids of all ages back to downtown Gardner.

On Saturday, September 15, the community will awaken to the smell of fresh pancakes cooking on the griddles in downtown Gardner. Throughout the day the festival will host a live Wild West Show, pony rides, historical walking tours and main stage activities for the whole family. The Festival on the Trails Art Fair will continue into Saturday evening. Saturday night will conclude with a live concert performance provided by WDAF radio and fireworks. Make sure you set aside time to take part in this exciting community event. More information on this event will be placed on the Sesquicentennial section of the City's web-site. www.gardnerkansas.gov/go/Gardner150.php

Intermodal and Logistics Park Update

The City of Gardner continues to work on assessing the BNSF intermodal facility and The Allen Group's related logistics park development. Starting in December 2006, City staff has been meeting regularly with both groups to set forward a plan for the area and to put in place the necessary information for the Council to consider regarding annexation of the property. A request to annex the approximately 1,000 acre development will not likely occur until fall 2007. In the meantime, the City has requested The Allen Group prepare a water and wastewater study for the area that will tell the City the necessary infrastructure requirements, and ultimately, who is best to serve the area. This study should be completed before summer 2007 and become a tool for development in the area.

The City is also working with BNSF's engineering consultants on plans for widening the Center Street Bridge. This project is required for the intermodal and will benefit the residents of the community with a four lane rail overpass. BNSF's engineering consultants have also completed a land use memo that will be part of what is called a "break in access" study to determine the design and location of a new interchange that will help serve the development. The Kansas Department of Transportation (KDOT), Johnson County and the City of Gardner will be involved in reviewing the information and working to move this project forward. Additionally, KDOT is looking at improvements

to the current Gardner Road interchange on I-35 as part of the overall assessments to the function of I-35 related to this project and the increasing population in Southwest Johnson County and points further south on I-35.

In February, the Mayor and City staff traveled to Topeka to request changes in a state statute to provide an additional funding mechanism for the project. If approved by the Legislature, it would provide an option for Council to consider whereby allowing future tax revenues from the development to be used to pay for the government share of the public roads and utilities. This mechanism would place the project cost for the public improvements back on the development and not the remainder of Gardner.

Other items of note:

- BNSF has begun clearing the properties that were purchased for the project. Several homes have been removed or relocated.
- In January, The Allen Group announced its plan to call the development the KC Logistics Hub.

The Mayor's Message

Dear Residents,

We've almost made it through this challenging Kansas winter! Our city employees have stepped up to the plate – plowing, scraping, scooping and doing all the other things it takes to help make our day to day travels a little easier. They have worked tirelessly to keep the roads clean and safe for everyone. Many of you have commented on the great job our city crew has been doing - those compliments are much appreciated!

As we move into spring, your city council has important business to conduct. We will be diligent as we work to ensure the Intermodal Logistics Park project moves forward in a way that is a benefit to the city. We will be examining the feasibility of continuing with the city-owned electric utility with the prime question being: Are the citizens getting the best value possible? Construction will begin on our 2nd Public Safety Station and we are looking forward to the opening of the Aquatics facility and the completion of Celebration Park. Staff will begin their preparations as they think about moving into budget season, getting ready to present to the city council, as always, not only their recommendations for next year's budget, but projections for the next 10 years. Planning for future growth is one of the reasons our Moody's bond rating is so favorable.

Spring this year brings us another general election. On February 27, the primary was held, with the winners moving on to the April 3rd, 2007 ballot. Voting is a precious right that should not be overlooked – it is an opportunity to make your voice heard. Please take time to inform yourself and vote, as it is one of the most important privileges and responsibilities we have as American citizens.

With spring just around the corner, I am looking forward to seeing people working in their yards and tending to their flowers and shrubs – each year it is a treat to see how the citizens of Gardner make it a priority to beautify our neighborhoods.

I love daylight savings time and this year it begins three weeks early, so don't forget to "spring ahead" by adjusting your clocks on March 11th. This spring and throughout the year, take time to enjoy all that Gardner has to offer!

Sincerely,

Interesting in Budget Billing for Your Utility Bill?

The City offers a Budget Billing program to its residential class customers, allowing you to pay the same amount every month on your utility bill. To sign up for this program, watch for information and the Billing Agreement, in your March Utility Bill insert.

Sesquicentennial Cookbook

A 150 Sesquicentennial cookbook is being assembled, with all proceeds going toward the Sesquicentennial Celebration. We are collecting recipes so if you'd like to participate, email your recipe to: recipes.150yrs@yahoo.com or mail to: 150 Cookbook – 120 E. Main - Gardner, Kansas 66030. Please include your name and contact information.

2007 Swimming Lessons

Opening day registration swim lessons will be held
from 8:00 a.m. to 12:00 p.m. on Saturday, April 28th.

Two Ways to Register on Opening Day:

- 1. ONLINE** at www.gardnerkansas.gov. **AVOID LONG LINES AT CITY HALL!** Online registration will begin at 8:00 a.m. on Saturday, April 28th. Register one or more child in the convenience of your own home! A small handling fee will be applied.
 - 2. WALK-IN** at City Hall, 120 E. Main Street. Doors will be open from 8:00 a.m. to 12:00 p.m., Saturday, April 28th. **LINES WILL BE LONG!** After April 28th, registration will be taken at the same location, Monday thru Friday, 8:00 a.m. to 5:30 p.m.
- If your child has never participated in a Parks and Recreation program before, you may call our offices at 856-0936 at any time to get them pre-registered into our system. This will include taking in their name, address and phone number only. It will not be a chance for you to enroll them in a class.
 - Registration is done on a first come-first serve basis.
 - Parents are allowed to register their child only. Waivers must be signed by a legal guardian.
 - One class per child. Additional classes may be available after June 14.
 - Some classes may need to be combined due to the number of students.
 - Parents are not allowed to participate in class unless they are in a Parent/Toddler class.
 - Additional classes may be added to the schedule dependant upon the amount of interest, space available in the pool and instructor availability.

Registration Fee is \$40.00 per person.

Make checks payable to: Gardner Parks and Recreation

Four Sessions to choose from

Session 1 June 4 thru June 14

Session 2 June 18 thru June 28

Session 3 July 9 thru July 19

Session 4 July 23 thru August 2

(Each session has eight 45-minute classes)

Fridays will be used for make-up classes
in case of inclement weather.

Class (Session)	Time	Program
Fins I (2, 3 & 4)	9:00 a.m.	299-01-06

Swimming Lesson • Class Descriptions

Parent/Toddler

This class was designed for the parent and toddler. The class will focus on getting the children familiar with the water. With parent interaction, our certified lifeguards will teach swimming readiness through blowing bubbles, working on back float skills and the dog paddle. Your child will gain confidence and coordination in the water. This class is for children between the ages of 18 months and 4 years. Parents are required to get in the water with their child. Only one parent per child may be in the water. Maximum 15 participants per class.

Fins I

- Must be at least 4 years of age
- Blowing bubbles
- Immersing face fully for three seconds
- Flutter kick front and back
- Introduction of Front Crawl arms
- Front and Back float without assistance
- Walk in chest deep water
- Encounter deep water (6 ft.)
- Reach assistance
- Safety tips
- Maximum 8 participants per class

Fins II

- Immersing entire body for three seconds
- Capture objects in chest deep water with assistance
- Jump into chest deep water and recover
- Front and Back float without help, 5 seconds
- Front and Back glide without help, 5 seconds
- Turning over front and back with assistance (Log roll)
- Flutter kick front and back
- Introduction of back crawl arms
- Front Crawl without help, 5 yards
- Modified Back Crawl without help, 5 yards
- Encounter deep water (12 ft.)
- Simple life saving and water rescue skills
- Maximum 10 participants in each class

Fins III

- Captures objects in chest deep water, without help and eyes open
- Deep water bobbing
- Incline safety bobbing
- Encounter deep water by jumping from diving boards
- Front and Back Glide: Two body lengths
- Turning over front and back without assistance (Log roll)
- Introduction to reversing directions at the wall (Racing technique)
- Front crawl without help, side breathing, 10 yards
- Back crawl without help, alternating arms, 10 yards
- Modified Elementary Backstroke, 10 yards
- Introduction to treading water with all kicks, 2 minutes
- Dive from side of pool using kneeling and compact positions
- Simple life saving skills/CPR skills
- Maximum 10 participants in each class

Fins IV

- Introduction to Rotary Breathing with Front Crawl
- Front Crawl, rotary breathing, 25 yards (length of pool)
- Back Crawl, 25 yards (length of pool)
- Elementary backstroke, 25 yards (length of pool)
- Modified Breaststroke, 10 yards
- Modified Sidestroke, 10 yards
- Introduction to open turns (Racing technique)
- Feet first surface dive
- Dive from side of pool using standing position and 3-step approach
- Introduction to long shallow diving from side of pool
- One completed dive from standing position from the diving boards
- Encounter 12 ft. with extension pole
- Tread water with scissors, breaststroke and rotary kicks: 1 minute each kick
- Life saving skills/CPR skills
- Maximum 10 participant in each class

Fins V

- Front crawl, rotary breathing, 100 yards
- Back crawl, 100 yards
- Elementary Backstroke, 100 yards
- Breaststroke, 50 yards
- Modified Butterfly, 50 yards
- Swimming underwater, 3 body lengths
- Introduction to flip turns (Racing technique)
- Using the feet first surface dive, retrieve brick from 6 foot
- Encounter with 12 ft. with extension pole
- Introduction to the 3-step approach from diving boards
- Complete Tuck and Pike jumps from diving boards
- One completed dive from diving boards using the 3-step approach
- Introduction to Tuck and Pick dives
- Tread water using all kicks, 5 minutes continuous
- Life saving/CPR skills
- Maximum 10 participants in each class

Fins VI

- Front Crawl, 200 yards
- Back Crawl, 200 yards
- Elementary Backstroke, 200 yards
- Breaststroke, 150 yards
- Sidestroke, 150 yards
- Butterfly, 50 yards
- Swimming underwater for 15-25 yards
- Perfection of open and flip turns during lap swimming (Racing technique)
- Using the feet first surface dive, retrieve brick from 12 foot
- Perfect 3-step approach from boards, use with all diving
- Perfect tuck and pike dives
- Stride Jump Entry
- Treading water using all kicks, 8 minutes continuous
- Life saving skills/CPR skills
- Maximum 10 participants in each class

Don't forget! Pool passes are now available for purchase at the Gardner Parks and Recreation Customer Service Center located in the front lobby of City Hall.

Easter Eggstravaganza

At Easter time, the humble egg finally gets its moment in the spotlight. Pulled from the darkness of the fridge, it's no longer merely a fragile breakfast food; It's a blank canvas ready for a kid's artistic touch. This party is for children ages 4-12. Parents can drop off their child for the allotted hour while we show them how to turn ordinary eggs into works of Easter art. The kids will do much more than just dipping and dyeing! Each child will receive a dozen eggs, bucket, goodie bag, a 5x7 Easter Portrait and the chance to win awesome prizes!

Maximum 15 participants per session.

Date: Saturday, March 31st

Times: Session I 9:00 a.m. to 10:00 a.m.

Session II 10:15 a.m. to 11:15 a.m.

Session III 11:30 a.m. to 12:30 p.m.

Age: 4-12 years old (3 year olds may attend, but must be accompanied by an adult)

Fee: \$15-Registration fee includes a goodie bag, bucket, 5x7 portrait, apron, decorating supplies, a dozen eggs and the chance to win cool prizes!

Location: Senior Citizen's Building

Registration Deadline: March 23

Earth Day/Arbor Day Celebration in Winwood Park

Come Celebrate Earth Day with Gardner Parks and Recreation! Since the first Earth Day in 1970, people all around the world have sought to celebrate the planet through a variety of community events. This Earth Day event is not only about renewing your commitment to saving our living planet, but observing the beauty and vitality of nature. Families, organizations, church groups and individuals of all ages are invited to be a part of this important event. After a group cleanup of the Gardner Greenway Corridor, join the Parks and Recreation Department for free barbeque food and drinks. Watch a tree planting demonstration and take part in a drawing for free trees, t-shirts and lots of other prizes!

Date: Saturday, April 21

Time: 11:00 a.m. to 1:30 p.m.

Location: Greenway Corridor-Madison Street

Fee: Free

Registration Deadline: April 17

Severe Weather Season Begins

Peak tornado season in Kansas runs from April through June. The Johnson County Emergency Management Department tests warning sirens on the **first Wednesday of each month at 11:00 a.m.**, weather permitting, with the exception of December and January. The first test of the year will be conducted at 1:30 p.m. on March 13th in preparation for the upcoming season.

The sirens are located on Walter near 175th Street, at Colleen Street in the Parma Subdivision, at Washington & Walnut Streets, at 185th and South Center Street and on Broadmore in Conestoga mobile home park, and 160th Street and University Drive. These sirens are an *outdoor* warning system and are not meant to be heard inside your home or in your basement.

The Department of Public Safety encourages residents to invest in a weather radio. Weather radios are available at a discount price of \$29.95 at Price Chopper on Main Street. If you have questions about Gardner's Emergency Preparedness, contact the Department of Public Safety at 856-7312 or visit www.gardnerkansas.gov.

City Wide Garage Sale!

The City-Wide Garage Sale will be held on Saturday, May 5th. It will be hosted, as it is every year, by the Downtown Merchants Association.

You can sign up to participate by registering at a Downtown Merchant who displays the sign, "Register Here", March 15 through April 15. There is a \$5 fee, which adds your address to the 'official' garage sale map. You will also get a sign for your yard.

Local Election April 3rd

The a municipal election will be held on April 3rd. Check to make sure you are going to the correct polling place, as many have changed since the November 2006 elections. Visit <http://voter.jocoelection.org/> to figure out where to vote.

Remember to vote, its your right!

City Utility Update

The City continues to move forward on several large projects, they include:

- Bull Creek Wastewater Treatment Plant conversion to a lift station
- Construction of a new North Lift Station
- and construction of the new Kill Creek Water Tower.

The City also entered into an agreement with the Kansas City, Kansas, Board of Public Utilities (KCBPU) to purchase materials through their purchasing contracts for 2007. Gardner's Electric Division, like most electric utilities, has experienced escalating costs and longer waiting periods for materials and equipment that are needed for electric infrastructure. The unstable copper and aluminum costs have made the "contract" concept of locking in prices almost non-existent, it is also made these products a target of theft. KCBPU has supply yards that are staffed 24 hours per day that will allow us the ability to get product when necessary, but to also have it stored securely. Recently, Gardner's electric division has been the target of wire thefts.

City Utility Update

We are seeking your assistance in using water wisely as spring approaches. Last summer the City sought your assistance in an effort to help balance out water production, by asking *even numbered houses to water on even days and odd numbered houses to water on odd numbered days*. This plan was very successful last summer in stabilizing peak water consumption and reducing demand on the system. It will also help conserve water in our lakes, should we have a hot and dry summer.

For water saving tips visit -- www.gardnerkansas.gov.

Jo Co Household Hazardous Waste Collection Event 2007

This event will be held on two days in 2007: Saturday, May 12 and Saturday, September 15 from 8:00 a.m. to noon. It is open to all Johnson County Residents and only residential hazardous waste will be collected. There will be 2 location: **Johnson County Environmental HHW Collection Facility** (Appointments are required at this location, call 913-715-6900.) and **Olathe's Municipal Service Center** (No appointment is required at this location.) Drop-offs will be handled on a first come, first served basis. Please call the appropriate number for more information or visit <http://jced.jocogov.org>

Large Item Spring Clean-up—May 12, 2007

There is no need to register your pickup of sofas, left over garage sale items, mattress, etc. Pickups will begin at 7 a.m. Please stack items for pickup near the curb in front of your residence prior to 7 a.m. on Saturday, May 12. Items placed at the curb after 7 a.m. will not be picked up if crews have already come through the neighborhood. Crews cannot drive onto private property. No items will be picked up from the alleys. Items must be small enough to be handled by two people.

What Cannot be Placed on the Curb for the Clean Up

No household trash, brush or limbs, barrels, refrigerators, freezers, batteries, car parts, air conditioners, old vehicles, radiators, tires, large construction debris, paint or hazardous waste. To dispose of household hazardous wastes, such as auto products, paints and pesticides, call the Johnson County Hazardous Materials Collection Facility, 913.492.0402 to schedule your appointment. Call Public Works at 913-856-0914 for more information.
